

Summer Camp

Theme: Renewable Energy

In Vihti, Finland July 3-15.2023

ABOUT The Camp

District 1420, Rotary Club of Vihti-Nummela

Welcome to enjoy the beautiful nature of Finland and learn more about renewable energy! Our Summer Camp 2023 is held in Vihti, about 50km to the northwest from Helsinki. You get to spend a week in a Finnish family and a week at the shore of lake Enäjärvi. During the Camp, you can enjoy the famous Finnish sauna, swimming, fishing, canoeing and many other outdoor activities. You also have a chance to experience the beauty of the area from the skies with our club's experienced Flying Rotarians. On the educational side, the program includes interesting lectures on renewable energy. Summer Camp gives you a great opportunity to meet people from all around the world and make lifelong friendships.
