

Sail & Sustainability Camp

A unique and challenging Youth Program combining Sustainability and Sport

Sponsorship with Purpose

We are looking for sponsorship and patronage linked to our Camp and values. Companies willing to invite us to their premises to witness their commitment to sustainability in practice and/or make a donation, to support the implementation of our camp. Support our efforts to foster sustainability and support youth leadership with the aim to promote a culture of respect and peace.

Companies and people who believe in the values of Sustainability and want to invest in the future of the New Generations. We are looking for you!

We are a Foundation and all donations can be deducted at 100%. The logo of each company sponsor will appear in all the Rotarian promotional material related to the Camp.
