Central Slovakia

WARNINGS in the invitation and in the conditions of participation in the camp !

Insurance: Participants must be insured against illness, accident, and third-party liability in accordance with Rotary International requirements.

1. We inform you that potential participants will not be accepted to the Cycle camp if the following conditions are not met:

- participants must have health insurance abroad
- participants must have cycling equipment (helmet, gloves, cycling shoes, backpack, clothing for hot or rainy weather)
- participants must have a form for the participant's return home, approved by the district

2. Potential participants must consider for themselves whether they are physically able to handle the Cycle camp, for example whether they can handle longer routes and uphill elevation (so that they can consider whether they are able to cycle with greater physical exertion).

3. Allowed number of participants: maximum 2 participants from 1 country (i.e. 1 boy and 1 girl) in a camp from one country

4. Entry outside the application deadline is not allowed, maximum tolerance 1 day +-
